DecoFloral  
Decorations for all

## Intended use & application tips

The finished bridal bouquet stays fresh longer if it is sprayed with FloraLife® Finishing Touch.

FloraLife® Finishing Touch 83-10282  
1 Liter

OASIS® Little Lady 11-03007  
Ø 5 cm x 15 cm

OASIS® Lady I

11-03018

Ø 8 cm x 18,5 cm

<https://www.decoflorall.nl/categorie/678/bruidsboekethouders-bridy.html>

DecoFloral  
Decoration for all

## Intended use & application tips

The lower part of the bridal bouquet holder can be unscrewed. Rewatering of the finished bouquet is easy. Simply unscrew and place it into water.

OASIS® Lady Plus

11-03099

Ø 8 cm x 18,5 cm

OASIS® Lady II

11-03019

Ø 7 cm x 18 cm

OASIS® Princess I

DecoFloral  
Bridal Bouquets & Centerpieces

## Intended use & application tips

The plastic grid gives good support to the flowers. Long stems should be additionally supported and anchored to the plastic grid with wire. When cutting, make sure that the ends of the flower stems are far enough into the cutting foam for optimum water supply.

OASIS® Lady I

11-03018

Ø 8 cm x 18,5 cm

OASIS® Ladynette

11-03020

Ø 7 cm x 18 cm

<https://www.decoflorall.nl/categorie/678/bruidsboekethouders-bridy.html>

\* particularly well suited for  
draining bouquets

# Intended use & application tips

Staked bridal bouquets offer a guarantee of freshness, especially during the warm seasons. The flowers are optimally supplied with water for a fresh look.

OASIS® Lady I

11-03018

Ø 8 cm x 18,5 cm

# Product Features & Advantages

FloraLife® Finishing Touch Spray keeps flowers longer fresh and improves their moisture balance.

# Intended use & application tips

The OASIS® ECObase® Lady Heart is the ideal base for bridal bouquets in the shape of a heart. The hard foam base gives high stability and thanks to the plastic handle the bridal bouquet lies securely in the hand.

OASIS® ECObase®  
Lady Heart
